PLACE: Mt. Harmony Baptist Church

Among the several great speakers attending the Rally, is Kevin Blaine. Blaine is the father of deceased Jennifer Neilson who was murdered at 8 months pregnant. Jennifer and unborn child were murdered in Raleigh delivering her newspaper route.

Kevin will address the lack of interest by the NC General Assembly to pass “The Unborn Victims Right” bill. He will talk about how the tragedy has affected the family this past year.

Other speakers include Senator Robert Pittenger, Jeff Mixon (NC Civitas Institute) and Representative Will Neumann (Gaston).

This bill states that when the attacker knowingly murders a pregnant woman, the penalty should consider it as two murders.
